

## 2023 PROXIMITY GATHERING

# Event Sponsorship

The Campaign for the Fair Sentencing of Youth (CFSY) invites you to sponsor an immersive, paradigm-shifting experience this fall. In September, we will gather corporate partners, key stakeholders, and members of the Incarcerated Children's Advocacy Network (ICAN), as well as survivors of violence, for a two-day proximity gathering in historic Montgomery, AL.

Your sponsorship bolsters our Community Prosperity Initiative (CPI) – a national social justice strategy aimed at supporting the full reintegration of people who were sentenced to life in prison without parole as children and are now returning home to their communities. CPI partners support a range of collaborations and projects, including (but not limited to) Fair Chance Hiring initiatives, skill development and mentorship programs, and contributions of “welcome home resources” like grocery gift cards and transportation vouchers. In partnership with the CFSY, CPI partners provide transformative support that eliminates barriers to securing and sustaining basic resources (living wage employment, housing, and transportation) that many ICAN members face upon their release from prison.

**\$ 50,000**

### Host

Hosts power our Fair Chance Hiring initiatives. Hosts will receive three tickets to join the full Proximity Gathering experience and be recognized in promotional materials before and during the gathering.

**\$ 25,000**

### Ambassador

Ambassadors enable us to launch professional coaching and tech literacy programs with key partners. Ambassadors will receive two tickets to join the full Proximity Gathering experience and be recognized in promotional materials before and during the gathering.

**\$ 10,000**

### Leader

Leaders help secure “welcome home resources” for individuals who are returning home from prison. Leaders will receive two tickets to the reception honoring key CFSY partners and be recognized in promotional materials before and during the gathering.

**\$ 5,000**

### Champion

Champions contribute to the networks of support for those directly impacted by the criminal legal system. Champions will be recognized in promotional materials before and during the gathering.
